As an AMA chartered club, all members with flying privileges or guest of members who will be operating aircraft at the field or requesting access to the flight line area are required to hold current AMA membership. Validation of current AMA membership is a copy of your AMA card, which will be held on record for the current membership year. **Membership cards and gate lock combinations for the club will not be issued and applications for membership will not be processed without current AMA membership validation. It is the members responsibility to keep their AMA membership current. Members flying privileges will be terminated if the member's AMA membership expires.**

I hereby request continued membership in the Livermore Flying Electrons Radio Control Club, Inc (the "Club"). I have read and understand both the LFERCC field rules and AMA rules and agree to comply with them. I hereby assume all risk of use of Club property, and waive any claim for injury to my person and property, and release the Club and each and every member thereof for damages arising from or connected with any injury to my person or property while on any Club property, and / or while using any Club property. This is intended as a full and complete release of all liability of any nature whatsoever for all damage, injury, loss, and / or expense, including any consequential expense, loss or damage, whether the same are now known or unknown, expected or unexpected by the undersigned.
