Flight procedures:

- All entrants will be eligible for the preliminary round.
- Motor run will be limited to 30 seconds for the first round.
- **All flights** will be individually timed. Flight requiring **'emergency'** restarts will be timed only until 'restart' called by pilot.
- A limit of three flights per entrant will be allowed for the preliminary round. Max flight time 15 mins. for all preliminary rounds..
- The times of up to **three flights for Boxcars and San Jose's** will be **totaled** to determine advancement to the next or Championship round. The four best total times of each preliminary round advances to an additional preliminary round if needed. The two highest time totals of the preliminary round, or rounds for **Boxcars** and **San Jose's each,** will be qualified to compete in the Championship flyoff.
- In the event that there are tie max scores in the first round, such tie scores will each be counted as a qualifier for a second preliminary round. and so on until only four best time qualifiers are determined.
- The two winners of the **Boxcar** and **San Jose** qualifying round, or rounds, will compete in a mass **ROG launch** with a 20 sec motor run,
- **Best flight time, Boxcar or San Jose, W/O motor restart, will be declared the winner and Champion...**
